

**RETOX[®] DUAL CHAMBER
REGENERATIVE THERMAL OXIDIZER SYSTEMS**

FAX - BACK RETOX RTO PROPOSAL SELECTION FORM

ADWEST TECHNOLOGIES, INC. RETOX RTO OXIDIZER PROPOSAL FOR:

Name _____	E-MAIL: _____
Company _____	Phone No. _____
Address _____	Fax No. _____
City _____	State _____ Zip _____
Jobsite Location _____	Jobsite Elevation _____ Ft. ASL.

<input type="checkbox"/> RETOX [®] Regenerative Thermal Oxidizer	Proposal Due Date _____
<input type="checkbox"/> Budget Study <input type="checkbox"/> Formal/Urgent	Expected RTO Order Date: _____
<input type="checkbox"/> AC Drive/Pressure Control Option	RTO Start-up Date: _____
<input type="checkbox"/> Turnkey RTO Installation Option	T-Damper Flowrate _____
<input type="checkbox"/> Tee Dampers Quantity _____	

PROCESS DATA:

New or Existing Application/Process _____

Dryer Oven Spray Booth Coater Air Stripper Reactor Vents Other _____

Oxidizer Location: Outside/Ground Outside/Roof Indoors Other _____

Hydrocarbon/VOC Destruction % _____

RETOX RTO Process Data	Maximum	Design/Average	Minimum
Process Flow (Scfm) to RTO			
Inlet Temperature To RTO °F			
VOC/Solvent Composition to RTO			
VOC/Solvent Quantity (Lbs/Hr)			
Particulates/Halogens/Silicones?			
Process Operational Hours/Week			
Fan Inlet Pressure (" w.c.) to RTO			

RETOX Dual Chamber RTO Exhaust Stack/Control Panel Options/Utility Requirements:

Exhaust Stack Height Requirements _____ Feet Above Grade,

Main Control Panel Location On Unit Remote Inside UL/CUL Required?

Utilities Available: _____, Gas/Propane Pressure _____ PSIG, Gas Cost _____ per Therm

Electric _____ Volts _____ Hertz _____ Phase _____ Cost(kw/Hr.) _____

Comments: _____
